

Dear 8th Graders,

What a truly remarkable journey it has been for you at Classical Academy Charter School! From starting out with us in September 2017 on 20 Valley Road and moving to 1255 Main Avenue, to being a part of new and exciting initiatives such as school dances, holiday celebrations, our first-ever Field Days and Art Fairs, to the growth of our academic programs and participating in our first ever fully virtual instruction module in 2020, you are truly a testimony to resilience and greatness. This school year has been one we could've never planned for and we couldn't be prouder of our graduates for rising to the occasion despite the stresses of the COVID-19 Pandemic and continuing to raise the bar of excellence as Classical Academy students. We can only imagine how challenging these last few months have been, but you can stand here in pride and strength and celebrate the Promethean spirit that will continue to propel you to success. Always remember, though our community may be physically apart during these times, we are always united and connected to one another.

We are truly grateful to have had the opportunity to watch you all grow. We are fortunate to have been part of the Classical Academy community and we are confident that each of you will venture forth and excel in your future endeavors.

Best wishes always,

Mrs. Giordano and Mr. Indar
